Appellant must order any necessary transcript within 14 days of noting the appeal by completing a separate transcript order form for each reporter and a single order form for all electronic recordings requested, submitting the orders to the court reporters and the district court, and attaching copies to the docketing statement filed in the court of appeals. The transcript order form should not include requests for transcripts that are on file or are on order. The completed order form must show that necessary financial arrangements have been made. In CJA cases, counsel must certify that AUTH-24 requests have been submitted through the **district court's eVoucher system** for approval by the district judge. Once the transcript has been prepared, counsel also submits the CJA-24 voucher for payment in the district eVoucher system. For assistance, see [District eVoucher Contacts for Transcript Authorization and Payment](#).

In sentencing appeals, a transcript of the sentencing hearing must be ordered. In Anders appeals, plea (or trial) and sentencing transcript must be ordered, along with any necessary hearing transcripts (e.g., suppression hearings). In multi-defendant cases involving CJA defendants, only one original trial transcript should be purchased from the court reporter on behalf of CJA defendants, and copies should thereafter be made at commercially competitive rates not to exceed \$.15 per page. Co-defendants may obtain paper or electronic copies of prepared transcript from the court reporter, co-counsel, or the district court.

If appellee finds other parts of the proceedings necessary, appellee must designate the additional parts within 14 days after service of the transcript order. If appellant has not ordered the additional parts within 14 days, appellee may, within the following 14 days, order the additional parts or move in the district court for an order requiring appellant to do so.

Counsel must review transcript and notify the district court of any intention to direct redaction of personal data identifiers within 7 days of filing of the transcript, and thereafter submit a statement of redactions to the court reporter within 21 days of filing of the transcript, as required by the [Judicial Conference Policy on Privacy and Public Access to Electronic Case Files](#). Counsel should obtain full-size transcript from the court reporter, since condensed transcript may not be used in the appendix. Counsel should verify that the witness name and type of examination appear in the top margin of each page of testimony, as required for inclusion in the appendix on appeal. Local Rule 30(b).
